Springfield, Illinois, January 25, 2005 – Harold O’Shea Builders was awarded a design-build contract for construction of Panther Creek Country Clubhouse. The project includes interior remodel work, an upgrade and addition to the kitchen, remodel in serving and private dining room, men’s locker room dining room and main dining room. Also a storage area to the pool snack bar will be added. Fwai Architects is providing architectural services.

The upgrade and additions to the clubhouse is to accommodate the need of its growing members. Panther Creek Country Club is a private country club with a membership of approximately 500 members.

Harold O’Shea Builders is a fourth generation family owned and operated general contracting Firm. O’Shea has been in construction since 1902 and has an office in Springfield. Harold O’Shea Builders provides design-build, construction management, pre-construction services and general contracting services and specializes in healthcare, educational, retail, religious, financial, hospitality, and commercial projects.
