Springfield, IL, July 18, 2005 - Harold O'Shea Builders has completed Phase 1 of a 2 phase construction project at St. John's Pavilion. Phase 1 consisted of a 1,500 square foot renovation for St. John's radiology department located on the 3rd floor of the Pavilion. Phase 1 feature two, patient x-ray rooms to better serve the patients of St. John's. Phase 2, a 3,600 square foot renovation located on the 4th floor of the Pavilion will feature SIU's expanded urology department. Construction on this project is underway and scheduled for completion in September.

Graham & Hyde is providing architectural services and Henneman Raufeisen & Associates, Inc. is engineering services. Harold O'Shea Builders is a fourth generation family owned and operated general contracting company located in Springfield since 1902. The company provides Design-Build, Construction Management and General Contracting project delivery systems and specialize in healthcare, religious, financial, educational and commercial projects.
