Springfield, Illinois, January 23, 2007 - Harold O'Shea Builders has been selected to provide general contracting services for Memorial Medical Center's Admission and Recovery Experience (CARE Unit), Patient Testing Center (PTC), Surgical Intensive Care Unit (SICU) and the Surgical Intensive Care Unit Waiting.

The scope of the project includes renovation of approximately 30,000 square feet of Memorial's main campus. Mike O'Shea states, "We are always excited at the opportunity to partner with Memorial Medical Center in their mission to provide high quality health care to the people of Springfield and central Illinois. The project architect for this renovation project at Memorial Medical Center is BSA LifeStructures.
